

Summary of activities March 2011 – Feb 2012

Educational Involvement

20 Halli Visits: We spoke to 2343 children
1 Christmas Party for 90 children
1 Birthday Party for the 3 Chimps at Monkey town

Talks that we do at schools:

Body Preventive, Healthy Eating, Be proud of yourself,
Love Respect and Bully Talk, Importance of learning and good education and Child Safety

Community Involvement

Halli Trust assisted

71 Individuals
51 Families

Halli Trust made a difference to:

1 Creche
6 Pre-Primary Schools
2 Primary Schools
1 NPO

On one occasion we send **old school clothes to Zimbabwe**

Rehabilitation and Caring of Animals

PETS volunteered to dip and feed the dogs in Smartie Town. We made the dog food into smaller packets and PETS dipped the dogs. The puppies got treated for ticks.

Highlights for the year:

3 Chimps Birthday Party at Monkey Town

We went to Monkey Town for the Chimps Birthday Party. We announced Little Miss Monkey Town and Little Dude Monkey Town. We also handed out party packs for all the kids. We had a wonderful day!

Home Make-over

During the month of May we did a home make-over in Nomzamo. This is Sidwele and Gloria Hungana's house. Martin wanted to do the make-over for them because they do so much for the community. They truly are an example for people around them.

Smartie Town Children's Party

We played sports and games with the kids. There were a lot of eats for them. Halli was there and the kids danced with him. He also gave all the kids big hugs. The treats were part of the food donation we received from OK Foods last term.

Vergezicht School

Vergezicht School invited Smartie Town kids to join them as part of their outreach day. We had cupcakes and the kids danced with Halli. **We also celebrated Halli's first Birthday with Halli Trust**

Smartie Town Children's Christmas Party Nov 2011

Christmas Party was held in Macassar's sports fields opposite Smartie Town. This was a big and wonderful day for us. We wanted to bring joy and fun to the kids and also to spoil them with treats they rarely have. After been face painted they could slip and slide and jump on the jumping castle. The Macassar Fire Brigade was the surprise of the day! They did a presentation for us. We supplied the

foam for a "foam and water shower" The kids could also see that firemen are part of the people protecting us. Lastly Halli was handing out gift packets.
