Additional Community Involvement:

Needlework Club

Every Friday morning, 10 Ladies, on average, attended the weekly needlework club. Our 2 needlework mentors were Leonie Taljaard and Frances Crittenden until November 2021. Through their time and effort, they taught the ladies to make:

- ❖ Aprons
- ❖ Cushion covers
- ❖ Flower holders, peg bags and shopping bags.
- ❖ Cutlery sets and painting on material

We welcome in February 2022 our new mentors, Cheryl Nortje, and Eve Breebaart. These 2 experts started to teach the women how to sew and tailor clothes. The ladies started to make pencil and flare skirts.

We hand over the **Halli Shop** to our Needlework Representative Helen Jonkers. Helen will be running it as her own small business. This enable Helen to be self-reliant and is a constant source of income. This empowerment of Helen is having a lasting impact on herself/children/grandchildren and the generation to come.

Halli Club

Once a month on average 50 children from Nomzamo and 70 children from Smartie Town gathered for educational talks and entertainment:

During our **certificates ceremonies** held on the 5th and 12th of November 2021, 50 children in Nomzamo and 75 children in Smartie Town received their certificates. On this big occasion the next young Halli Club leaders are elected.

Foundation Le Solstice sponsored again 7 children from Smartie Town and 6 from Nomzamo.

Halli Leaders Training

- ❖ Johan Laten - Leadership
- ❖ Tammy Dicks – The Potential of your Mind and Neurology

Reading Clubs

About 19 children from Nomzamo and 10 children from Smartie Town attend the weekly club. The children love the time spent with Lucia Mdungwana, Heidi Kilb and Gerda Isaacs who took over from Heidi. Our Library also offers a variety of things to read, from fiction to non-fiction.

Homework Clubs

About 21 children from Nomzamo and 17 children from Smartie Town attend the weekly club. Our homework clubs are a safe, supported, and productive meetup place and a vital support for children who do not otherwise have the help that they needed. We give a big thank you to our homework volunteers: Portia Dlamkile, Gerda Isaacs, Mandi Scott, and Baby Girl Mpiko.

Building and Renovation

Martin Naude, our Founder, completed the installation of the shelves in the Church of Smartie Town and Nomzamo which is also being used for our Halli Reading and Homework clubs.

2 x Luskamp, Pieterse and Enlicks families in Smartie Town lost everything due to a fire. Martin builds a Zinc Wendy house with electricity, basin, and toilet for them. He further completed building a 3-bedroom house with electricity, with the help of many sponsors. The impact on the families were huge and change their circumstances in a big way. A big thank you to Martin.

Good News Feedback of the year:

Community Involvement

Gloria Hungana, Community Representative assisted Ntobencinci Sihlangu from Nomzamo with groceries, meat bones, clothes, and household items. She and her children were in tears the evening when they saw there is food to eat, as they had no food in the cupboards. They were so grateful for the donations.

Anastacia Molaoa Community Representative – Nomzamo/Lwandle/Zola - Kindness helped us through blindness. Halli Trust helped us build a better daily nightly routine which helped us to be more focused, more structured and get more done. We really appreciate being part of the blessed people among the community. Halli Trust has opened the doors of happiness for us, we feel a lot more calm, more peaceful and our mind has changed from a state of confusion to a state of gratitude. I started to find a whole new way of creating life. I started to create a lot of content around personal development thanks to Halli Trust and the community. That was super inspiring. Also, getting into habit of listening (to workshop) every time and making friends within the community. Those are just some of the blessings and gifts of God. Halli Trust gave me a place to feel more at home not so alone.

Anastacia Molaoa Community Representative - Nomzamo/Lwandle/Zola - I would like to share the positivity that happened in my street the last few months! As a group of few women we decided to give a hand to our neighbours at the time of darkness as to show them that we appreciated them even in dark days! We contributed money and decided to buy goods for one of the community member's funerals, and we are willing to continue to help as much as we can to better our community! What touched me the most was when we had a prayer meeting, I was asked to make a speech. After my speech, a gentleman came to me and donated a full bag of toys. He said to me from today I'm a changed man thank you for standing for the community! (Anastacia was in tears when she told us this testimony. This is proof that we can make a difference by just the way we act and care for people around us! Thank you, Anastacia, for being a brilliant Halli Leader)

Gloria Hungana Community Representative – Nomzamo/Lwandle/Zola - Mrs Pefile, Gloria's client, her house burned down, and she lost everything. We help her with a couch, sewing machine and household items. She was so happy/grateful when we brought the donations, she started to sing and had tears of joy! Gloria said: I remember the day her house burned down, and she was broken. With our donations, we changed her situation. She said anything is possible for God and we were singing with her.

Sarie Daniels Community Representative - Macassar - Mr Premo, Sarie's client, was a healthy and very hard-working husband/father of four children. Then an accident happened at work, and he ended up in a wheelchair. Mr Premo felt very heartbroken and depressed to be stuck in the wheelchair. I listen to his story, and he was very thankful and emotional. When I approached him to hear if he can make use of a walking ring, he readily except it with joy. He was looking for one since discharge from hospital a year ago but doesn't have the money to buy one. He can now move more freely between his bed to the wheelchair and is looking forward to starting with some exercises to improve his mobility.

Liezbeth in Macassar – She asked Heidi our CEO for a bed as they were sleeping on the ground (their bed broke a while ago). Liezbeth and her husband were so extremely grateful for receiving a bed. It was an old bed that someone donated just shortly after she asked for a bed. She kept on thanking Heidi and said it feels like she is sleeping in heaven.

A grandmother of Nomzamo was in tears of happiness when we arrived at the **Memani family** front door with school clothes and school shoes. She is currently the guardian of 5 children living in her house. The children were so happy with their new school clothes and could not stop saying THANK YOU to us. Every time they see Gloria Hungana (Community Representative for Nomzamo / Zola / Macassar) passing by they shout out to her "Mhakhulu"

Neliswa - Gloria's client in Nomzamo– Neliswa was blessed by receiving a parcel from Halli Trust. We blessed them with kitchenware and clothes without knowing what the specific need in the household was. Neliswa and her daughter live on their own and she has only a little money to live from. Her daughter was praying and ask for a "wantzy" and underwear, without mommy knowing. When she received this unexpected gift, and open the bag, her prayer was answered. Both were in tears of joy and so glad. They have only 2 cups, plates, and very little cutlery. Thank you, Gloria Hungana, Community Representative for having your ears on the ground and making this donation to them. Thank you Neliswa for sharing this beautiful story with us. Your grateful heart and story had us in tears and we as a team are so privileged to be able to reach out and help.

The Primal Masters donates meat bones on a weekly basis which enabled us to make a huge difference in the community and Halli Trust.

Additional Community Involvement

Halli Club - This is always a very special day and highlight of the year. Happy and excited faces await the calling of their names to receive certificates for their faithful attendance during the year. Every time when we have our Halli Clubs and see the green bus along the road, they started to shout Halli Halli!!!! They are extremely excited and looking forward to the next visit. We take notice of the change in their behaviour, manners, and discipline during every term and year. It is important to build relationships with the children and to win their trust. The Halli Club/Leaders are very grateful and thankful to have a green team that are there for them and support them.

Halli Trust partnership with Foundation Le Solstice Switzerland

We are excited to announce this special partnership and confirm the approval of our application. All relevant contracts are signed and in place. The 7 selected Halli Club leaders of Smartie Town received their stationery and books for the year. This will be a year-to-year sponsorship. The children fully appreciate the assistance from Adele Burger and Foundation Le Solstice Switzerland for making this possible. Adele Burger, born and bred in the Helderberg area works for the Foundation Le Solstice Tanzania. She asked on Facebook about sponsoring children. The awesome people nominated Halli Trust. Adele made contact and visited us in May 2021. We set up a meeting and she met our children and parents. She went back and started the application process. Foundation Le Solstice is based in Switzerland.

The Needlework Club ladies had their year-end party on Friday 19 November 2021. All these beautiful ladies said they are so grateful and appreciate the Needlework Club so much. They've made video's and each one said how much these classes meant to them. They also thank their Mentors Leoni Taljaard, Frances Chittenden and Representative Helen Jonkers for their time, to share new skills and to create new abilities. Big thank you to Halli Trust for the opportunity to make it possible for them to be here on Fridays, to learn new skills and techniques. Not just for the teaching but the sisterhood and caring between everyone around the table. They can't wait for next year's classes to start in 2022 and the new things they will learn.

Educational Involvement

The visit at "Ons Nessie" Day and After Care in Macassar were very successful and the staff appreciated all the effort and generosity. They can't thank Halli Trust enough for the surprise visit.

Our 11th Birthday at Tereo School on Thursday 16 September 2021 was super special as always. We missed our 10th Birthday at the school due to Covid19. We had so much fun with the children and they in return blessed us financially, letters and beautiful Birthday wishes. Super quality backpacks were handed out to adults and children sponsored by ISAKOS. Tereo children have a very special place in our hearts and it's always great to visit them.

Early 2021 we did a Halli Visit Body Preventive Talk at a Pre-School in Somerset West. That afternoon one little boy told his mom of someone that is touching him inappropriate. After investigations they found a whole ripple effect of children touching each other's private parts. We are so very proud of this one little boy who were empowered by our talk to take control of his own body and put boundaries in place.

Rehabilitation and Caring of Animals

Roxy is a cute doggy in Macassar that needs a lot of attention love and nutrition. Rene Smith our Animal representative took the owner by the hand and educate her about proper Animal Care. The owner explained to Rene how much Roxy means to her and how much she loves her. With tears in her eyes she confessed, she does not have enough money to look after Roxy and her family.

Halli Trust steps in and donates dogfood, feeding bowls, kennel and blankets. Roxy was also sterilized. After two weeks Rene went back to see Roxy and was surprised and overwhelmed to see the drastic change in Roxy's body and eyes. The owner can't stop to express her sincere gratitude for making the change possible. **Roxy** was a malnourished unhappy dog but with the help of Rene Smith and Halli Trust she was given a new life. Roxy is now a much happier dog.

Our dearly four-legged friend "**Huisbaas**" (pitbul) was rewarded with new owners after being rescued from the cruel and inhumane dog fighting rings. Halli Trust Team and everybody in the community who knew Huisbaas are extremely grateful for the new change of life and abundant love he now receives. He deserves the best treatment after such a suffering!

Halli Trust Friend – Cecilia Stanford celebrated her 60th birthday in June. Cecilia asked all her friends and family to donate animal food and blankets instead of buying any gifts for her. Cecilia donates it all to Halli Trust Rehabilitation and Caring for Animals. It is such an unselfish act to show her beautiful, caring heart for animals and a wonderful present!

Briget Przychodzki is a very dear and loyal friend of Halli Trust. Bridget introduced her precious 92year old mom from an Old Ages Home in Somerset West to Halli Trust in 2021. Her mom is knitting beanies throughout the year for Halli Trust who donate it for our Madiba day. She says her mom is telling everyone about us and the measurable difference we as a team bring forth in the community. Halli Trust is her reason for keep on going and waking up each day because she knows the value and difference NPO's make as she was part of charities.

Kyra Rensburg - Research Project: - (Stellenbosch University) studies BA Honours Journalism. Kyra chooses Halli Trust for her research to complete her assignment/project. Her article was publishing in Matie Media Newsletter. Thank you, for choosing Halli Trust NPO.

Congratulations

Thabang Molaoa was selected a few years ago to play for Cape Town City FC and was introduced to PSL League at the weekend. Halli Trust - Non-Profit Organisation believes this is the next step into being nominated to play for Bafana Bafana South Africa or even an international team like Manchester United. Thabang Molaoa is an excellent example of being a mentor to the younger generation in his community. His mother, Anastacia Molaoa - Nomzamo/Zola/Lwandle and Halli Trust Community Representatives is very proud of him. Well Done and keep the faith to follow your dream!

It's been a tough year financially as Covid19 had a **huge impact on our finances**. Due to the economic implications our income dropped almost by 50%. By the grace of God, we are still here, and we are still making a difference. Therefore, we want to thank all the people that contribute financially towards Halli Trust. Thank you so much for your loyal support and for taking our hands. We appreciate you big time!

A big heartfelt "Thank You" to the Helderberg Community for all the **donations** we received during the year. We appreciate your trust in us and are eternally grateful to you for taking our hands and surprise people with unexpected gifts and blessings!
